Purpose

The Kingaroy Golf Club is committed to providing a safe, welcoming and inclusive environment for members, visitors and staff. Social players are very welcome to the Club, and their adherence to the guidelines outlined below will assist us with achieving this.

Guidelines

1. Social players are to sign the KGC Cart Hire Agreement when hiring a club-owned motorised cart and adhere to all conditions outlined on the agreement and the KGC Motorised Cart Safety Policy.
2. It is a condition of the Club's license that all alcohol consumed on the premises (clubhouse and golf course) must be purchased at the bar. Our bar has an early license and the prices are very reasonable.
3. No more than four (4) players per group at any time.
4. One (1) set of clubs per player. Adult and junior sets are available for hire.
5. Club Hire Sets are to be returned in the same condition as hired. Any damage will be charged at time of return.
6. Any damage to people, wildlife or Club property must be reported immediately to a member of the KGC Management Committee or to the Bar Staff.
7. Abusive or offensive behavior of any kind will not be tolerated at Kingaroy Golf Club.
8. There is zero tolerance for deliberately harming wildlife while on the Kingaroy Golf Club premises or golf course. An automatic ban from Kingaroy Golf Club will be issued.

Breaches

Any social player or players that do not comply with the expectations outlined above will be asked to leave by any Management Committee or Players Sub-committee representative. If the social player or players refuse or become violent, the local Police will be called, and further action may be taken.

The cost of any damages to property caused by misconduct will be the responsibility of the person who caused the damage.
