

KGC Fee Structure

Purpose

The purpose of this document is to explain how fees and charges paid by members and social players are managed at Kingaroy Golf Club (KGC).

Membership Fees

- Membership fees are a one-time annual payment.
- There are different categories of membership based on the member's age at registration/renewal:
 - Junior – Under 18 years
 - Young Adult – 18 – 34 years
Golfers in this age group can choose between this category or Member (Ordinary) depending on their playing pattern. This category has lower membership fees and higher green fees and is suitable for those who don't get out to play very much.
 - Member (Ordinary) – 18+ years who do not hold an Australian Pension card.
 - Pensioner – Holder of an Australian Pension card.
 - Super-Senior – 84+ years
- Continuing members must pay their fees by the end of January to remain financial, play in membership competitions and enjoy discounted green fees and bar prices at KGC.
- Benefits of membership:
 - Free access to the practice fairway, practice greens and driving net.
 - Discounted green fees at KGC and at Clubs with which we have reciprocal arrangements.
 - Eligibility to play in KGC Competitions
 - 5% discount on bar purchases.
 - A copy of the annual Fixture Book, which contains lots of useful information including an annual calendar of events.
 - Management of the member's handicap.
 - Eligibility to attend and vote at general meetings. (Note: Junior members may attend but are not allowed to vote).
 - Eligibility to vote for, or be voted onto, the KGC Management Committee.

Green Fees

- Green Fees contribute to the ongoing maintenance of the course.
- Member (Ordinary), Pensioner, Super Senior and Junior members have the option of paying their green fees for the year in advance when they pay their membership fees. This option is called **Up Front** and is suitable for members who intend to play frequently. **Upfront** members are charged \$0 green fees per game when they play at Kingaroy Golf Club.
- The option to pay green fees per game is called **Pay per game**. **Pay per game** members and social players pay a green fee each time they play.
- One of the benefits of membership is discounted green fees when the member plays at Kingaroy Golf Club, or at a golf Club where KGC has reciprocal arrangements. For a list of these Clubs, please visit the KGC website.

Competition Fees

- **Competition Fees** are paid by all members (**Upfront** and **Pay per game**) and social players in addition to Green Fees when they play in a competition.

Fees for Special Days/Open Days

- Green Fees are sometimes adjusted on sponsored open days or zone or district events. Sometimes sponsors request a certain fee is charged for the day, and district green fees are generally set by that organisation.
- Special costs for open days are advertised on the flyer for the day. The flyers can be found on our website (see the **Events Calendar**) and are also advertised on the Kingaroy Golf Club and Kingaroy Golf Club Community Facebook pages.

Approval of Fees and Charges

The fees and charges in **Appendix 1** are proposed by the Treasurer and approved by the KGC Management Committee prior to the Annual General Meeting for the following year.

They are subject to change during the year. These changes must be approved by the KGC Management Committee before being implemented. Members will be advised of proposed changes to fees via the Kingaroy Golf Club Community Facebook page prior to implementation.

Bar prices are determined by the Clubhouse Manager, and are subject to change in response to market conditions. Members will be advised of any proposed changes via the Kingaroy Golf Club Community Facebook page prior to implementation.
